

MORRISON WILLIAMS SELINAM

Email: williamsmorrison2342@gmail.com Tel: +233599995651 Address: Ho, Volta Region.

OBJECTIVE

As a passionate front-end developer, I aim to craft user-friendly, responsive, and accessible web interfaces that combine creativity with functionality. My objective is to contribute to meaningful digital experiences using modern web technologies like HTML, CSS and JavaScript while continually growing my skills in UI/UX and performance optimization.

SKILLS

- Front-end Languages: HTML, CSS and JavaScript
- Software: Visual Studio Code, Figma, Adobe XD and Wordpress

PROJECTS

- Project type: Web development and UI/ UX Design
Project title: Planet Pulse
Client: Design and Technology Institute
Overview: Building and designing an educational website to help teens understand climate change
- Project type: Web development and UI/UX Design
Project title: Sleek Hair
Client: Miss Yaa
Overview: Building an e-commerce website for selling wigs.
